## Education

### Management and Science University

Bachelor of Computer Science (Hons)

Selangor, Malaysia

May 2023

### SEGi College Kuala Lumpur

Foundation in Information Technology

Kuala Lumpur, Malaysia

July 2016

## Experience

### Tarsoft Sdn Bhd

Mobile Application Developer

Selangor, Malaysia

6 months | Oct 2022 – Apr 2023

- Collaborated with UI/UX and back-end teams to develop React Native mobile applications and React portals for end users.
- Led projects from scratch and revamped existing apps using React Native.
- Independently designed user interfaces for solo projects.
- Managed app deployment, updates, and maintenance for app stores.

### Self Employed

Software Engineer

Remote

3 years 3 months | May 2015 – Aug 2018

- Collaborated with clients to gather requirements and deliver customized solutions, resulting in over a 90% client satisfaction rate.
- Developed and maintained web applications using React, Node.js, and MongoDB, leading to a 30% increase in user engagement.
- Designed and implemented RESTful APIs for a banking platform, improving system scalability and performance.
- Presented project demos to clients, clearly communicating technical concepts and project progress.
